

A schematic diagram of a motorized actuator assembly. It features a black cylindrical motor with a grey end cap on the right. The motor is connected to a vertical rod that passes through a hatched L-shaped base. At the top of the rod is a yellow cylindrical component, possibly a piston or a connector, which is also shown in a cross-sectioned view. The entire assembly is enclosed within a dashed rectangular frame.

Steel + black ca

Diagramm Pressure-Force, L=1000mm

Pressure [bar]	Force [N]
0	0
100	70
200	140
300	210
400	280
500	350
